ALLIES TREAT GREECE AS BADLY AS GERMANS HAVE TREATED BELGIUM

KING CONSTANTINE TELLS OF ABUSES

ATHENS, Jan. 14.—(By Staff Correspondent of the Associated Press.) King Constantine received the Associated Press correspondent in audience this morning just before he left for America.

"I am sorry you are leaving us," King Constantine began abruptly. "I don't believe that there is a man or woman in Greece who does not feel very profoundly what a great thing it has been for us during this most critical period in our national history to have a correspondent of the Associated Press here to tell the world with absolute impartiality of the truth of what is taking place. They tell me, however, that a good many of your telegrams to the Associated Press have got through the censors." The king laughed a little ruefully. "You have nothing on me," he added, "neither do mine."

"The most ridiculous, the most outrageous nonsense about what is happening in Greece is published daily in the European press, presumably written by journalists who are not even on the spot to see the facts for themselves. And when my government sends official denials of them the European newspapers will not even publish the denials."

"After all, all we ask is fair play. But it seems almost hopeless to try to get the truth out of Greece to the rest of the world under present circumstances. We have been sorely tried these past two years and we don't pretend to have always been angels under the constant irritation of the ever-increasing allied control of every little thing in our own private life—telegrams, letters, police, everything."

"More over, by taking an active hand in our own internal politics, England and France especially have succeeded in alienating an admiration, a sympathy and a devotion towards them on the part of the Greek people that at the beginning of the war, was virtually an ultimatum tradition. I quite understand how those responsible for such a result seek to excuse themselves by exaggerating the difficulties they have had to contend with in Greece—by talking about Greek treachery and the immense sinister organization of German propaganda that has foiled them at every turn and so on. The only trouble with that is that they make us pay for the errors of their policy. The people of Greece are paying for them now in suffering and death from exposure and hunger, while France and England starve us out because they have made the mistake of assuming that their man Venizelos could deliver the Greek army and the Greek people to the entente powers whenever they wanted to use Greece for their advantage, regardless of the interests of Greece as an independent nation."

"There are just two things about our desperate struggle to save ourselves from destruction that I am going to ask the Associated Press to try to make clear to the people of America. The first point is this: We have two problems on our hands here in Greece—an internal one and an external one. The entente powers have made the fundamental mistake of considering them both as one. They said to themselves: 'Venizelos is the strongest man in Greece and he is

ELCTRIC FOUNTAIN HAS ARRIVED FOR BURGOYNE PARK

Mrs. Burgoyne's beautiful electric fountain, to be situated in the center of Burgoyne park, has just arrived and will immediately be placed in position.

This latest gift of Mrs. Burgoyne's was procured through the invaluable assistance of Major J. D. C. Morris and F. M. Rowe.

The statue of Mr. Burgoyne is also ready and in the course of a few days the "Father of Daytona" will again be back among his friends and admirers, restored in their hearts and minds, as the statue will be an ever present reminder of the city's great friend and benefactor whose chief pleasure was derived in giving pleasure to others.

Burgoyne park is nearing completion and soon will be the most beautiful and attractive recreation center of the "Prettiest Winter Resort in the World." Schulze & Obermaier are busy planting evergreens and other plants and shrubbery suitable to the location of the park.

President Wilson Will Take Oath of Office Sun., March 4

WASHINGTON, Feb. 23.—President Wilson has definitely decided to take his new oath of office in private in the White House Sunday, March 4. Whether he takes it again in a public ceremony March 5 or merely makes that time an occasion for delivering his inaugural address is not decided. It is also announced that the president has decided to call an extra session of the Senate for March 5 to consider nominations, although no definite arrangements have been made for the inauguration of Vice-President Marshall. The decision to hold an extra session of the Senate paves the way for the customary inaugural of the vice-president and the swearing in of new senators.

Washington's Birthday Dinner Dance Brilliant Clarendon Event

Never before since the inauguration of the Washington birthday dinner dance at the hotel Clarendon has there been a more brilliant or gay event than that of last night, and never before in the history of the hotel has there been a more notable gathering of distinguished guests present for the affair.

Promptly at 7 o'clock the doors of the dining room were thrown open to the many who entertained at dinner. And the scene! Brilliant with a myriad of lights that glowed like so many fairy lamps, and with its background of tall palms, and with graceful potted plants, the room was a striking setting for the exquisitely robed women and their escorts, who gathered about the prettily appointed tables laden with flowers of every hue, that made the room a riot of soft coloring. During dinner the program of patriotic music given by the Clarendon orchestra added to the elusive spirit of gaiety that took possession of everyone. From the gay little flags that flaunted themselves at each plate, to the ices molded into appropriate patriotic molds

and topped with the proverbial cherry, each and every feature of the menu paid tribute to the Father of his Country.

After dinner the foyer became a promenade wherein the exquisite creations of Lucille, Reboux, Premet, Jenny and a dozen other famous Parisian designers passed in bewildering array. There were diaphanous affairs of tulle and lace, and stately gowns of brocade velvet, and so many altogether lovely frocks that a detailed description were quiet beyond the powers of any mere mortal. Paris has decreed that milady be again slimly sylph-like, and already the command has been heard at the Clarendon. The gowns worn last night tried vainly to impress upon their frivolous minds that bouffant ruffles of tulle and chiffon are not conducive to the slim silhouette, but could not resist the fascination of fluffiness dear to the feminine heart. While white, as always, was used for many of the most notable gowns, the color

CLEVELAND CHAMBER OF COMMERCE PARTY IS VISITING DAYTONA

Members of the Manufacturers and Wholesale Merchants Board of the Cleveland Chamber of Commerce to the number of about 60 are today looking over Daytona and points of interest in the vicinity. The party arrived this morning from the south and will go to the Hotel Ormond this afternoon. The two Pullman cars in which they are traveling, together with a baggage car, have been occupying a place on the siding west of the F. E. C. railway freight depot during the day. The party has been visiting at Tampa and other points, including a visit to Cuba and the Isle of Pines.

Mr. and Mrs. Albert T. Brown, of Cincinnati, Ohio, lunched at the Prince George yesterday.

AMERICAN STEAMERS MAY NOT BE HARMED BY GERMAN U BOATS

LONDON, Feb. 23.—The Berlin Lokal Anzeiger is quoted as saying that it is likely that the American steamers, Rochester and Orleans, will escape the German submarines in the barred zones, but America should not rely on their doing so. The newspaper believes that submarine commanders were instructed not to sink these ships.

RAILROADS REFUSE TO BE RESPONSIBLE FOR HIGH PRICES

WASHINGTON, Feb. 23.—The Interstate Commerce commission and the railroad authorities declare that no actual food or fuel shortage had existed anywhere and that high prices should not be attributed to freight congestion. It is said that the railroad tie-up will improve steadily.

LLOYD-GEORGE TALKS TO HOUSE OF COMMONS

LONDON, Feb. 23.—Premier Lloyd-George told the house of commons today that Allied success depended upon their ability to solve the tonnage shortage, which is affecting ordinary needs of the nation and military exigencies.

He said that the situation called for the gravest measures.

The premier declared that there is no sure way to victory without clearing the seas of submarines. He stated that the government proposed to dispense with all non-essential importations to save tonnage.

The premier said that the stock of food in Great Britain at present is lower than it has even been before; and it is essential to the life of the nation, he declared, that every possible effort be made to increase home production.

He announced that the government would prohibit entirely the importation of apples, tomatoes and fruits, and expressed the opinion that food prices are not likely to decrease for a long time after the war, inasmuch as Germany will be a heavy purchaser. Therefore, he said, it is safe to grant farmers a minimum price over a definite period of time, which is the only way to bring about immediate action. The proposed minimum weekly wage is 25 shillings for farmers.

What England is Doing.

NEW YORK, Feb. 23.—England's anti-submarine fleet consists of 4,000 private yachts, whalers and fishing vessels, manned by 60,000 men, and this force already has destroyed 200 German submarines, Alfred Noyes, the English poet, asserted, in a statement here last night.

"Every boat is armed with guns throwing 12 or 14-pound explosive shells, and has 1,000 yards of steel netting trailing behind," he declared. "All the home waters are mapped out in blocks and each block patrolled."

"Imagine sixty trawlers stretching a steel undersea net from the English to the Irish coast, and you get some idea of the British admiralty's anti-submarine campaign by which German submarines have been driven home from waters and forced to attack neutral vessels on the high seas."

Mr. Noyes said he had spent many days with the trawlers, and was informed by their captains that a submarine rarely will attack an armed vessel. What becomes of a submarine after it strikes a trawler's net, the poet added, is a naval secret.

"Some have been captured and taken to England, but most of them sink," he added. "It is impossible to save the crews. What is done to them when they hit the net I am forbidden to say."

DESIRE TO LOCATE LOUIS HOERR, OF TOLEDO, OHIO

The Bonfield Travel bureau, with headquarters at the Ridgewood hotel, desires to locate Louis Hoerr, of Toledo, Ohio, for whom they hold a Pullman reservation which will be cancelled automatically if not purchased by March 1st. As Mr. Hoerr is an elderly man and will need the reservation, anyone having a knowledge of his whereabouts will confer a favor by putting him in communication with the Bonfield Travel bureau.

ARTISTIC DECORATIONS FEATURE ORMOND BALL

HOTEL ORMOND, Feb. 22.—Notwithstanding that most of the decorative shrubs were frozen in the late cold weather, the Ormond casino never looked lovelier than on the occasion of the Washington birthday ball last night, which was all due to Miss M. A. Clarke and her corps of assistants. On the stage Washington's home, over which a moon was shining, was represented. On the lattice work in front of the stage were placed the pictures of George Washington and Martha. On the front of the house on the stage was a most beautiful flower piece of a mound of daffodils. Electric lighted daisy star in center, and shield over the door. Gothic-shaped frames over the windows, covered with red, white and blue bunting, and festooned with vines made them dreams of beauty. The floor was crowded with brilliantly gowned ladies and their partners' more sombre dress seemed only to heighten the effect. Dancing continued until 4 o'clock. It was really a most successful affair.

There have been many parties in the grill this week, foremost among which was the dinner given to Rochesterians who are wintering at the Ormond hotel by Mr. and Mrs. Ernest R. Willard. The table was most beautifully decorated with flowers, and Mr. and Mrs. Willard's guests were Mr. and Mrs. Geo. Benbright, Mr. and Mrs. Gilman N. Perkins, Mr. and Mrs. James S. Watson, Mr. and Mrs. Jess Lindsay, Miss Jean Lindsay, Mrs. Levin, Arch DuPuy and Wm. Sloan. A special delicious dinner was ably served by Joseph Pozzo and Peter Romane, of the Ormond hotel staff.

Mr. and Mrs. Kimball, who are visiting Mrs. Kimball's mother, Mrs. Stanley, at Talahloke cottage, Mrs. Laning Stevens and Mrs. Harvey gave a party in the grill room to Mrs. N. B. Ream, of Chicago; A. C. Olney, of

Thompson, Conn.; Mrs. H. A. Taylor, Mrs. F. G. Doltz and Mr. and Mrs. M. O. Bacon.

There was another small party in the grill last night, given by Mr. and Mrs. W. C. Fish, of Lynn, Mass.

Mr. and Mrs. Wm. W. Dixon and Miss Edna P. Dixon, of Chicago, Ill., are stopping at the Ormond.

Mr. and Mrs. Geo. M. O'Connor, of Long Island City, N. Y., are registered at the Ormond.

Mrs. Geo. V. Harper, of Sheppensburg, Pa., a former valued patron, has returned for a four weeks' stay.

Mrs. Pennington and son, of New York City, are stopping at the Ormond.

Mrs. G. E. Laughlin, Jr., and Miss Laughlin, of Pittsburgh, Pa., joined their father, Z. L. Speer, at the Ormond for the balance of the season.

Mrs. Wm. Prideaux, Tom Prideaux and Mrs. Geo. Schermerhorn, of Reading, Pa., are registered at the Ormond. Mrs. Prideaux and Mr. Prideaux are from Hillsdale, Mich.

F. O. Watts, of St. Louis, Mich., joined Mrs. Watts and son, C. M. Watts, at the Ormond. They will remain for the rest of the season. Mrs. Watts and son have been here since Feb. 7. They are accompanied by Mrs. S. F. Fite and Miss Lumley Fite, of Nashville, Tenn.

Very pretty indeed were the menus at this morning's breakfast at the Ormond hotel with the George Washington button from which a hatchet was suspended.

"PIDGIN ISLAND"

"Pidgin Island" tells of a pretty girl in the United States Secret Service who trails a band of smugglers. In this work she meets a fascinating young man, also a Government agent, who is on a similar mission. She suspects him of being a criminal; he believes she is in league with the band. Nevertheless they fall desperately in love.

One stormy evening the girl goes to trap the smugglers. The young man follows and saves her from death. Then he seizes the lawbreakers, and the girl, learning his identity, confesses she is the daughter of the chief smuggler.

It is a gripping climax—one that puts true love to the supreme test. To be shown at the Crystal theatre Saturday.

20,000 LEAGUES UNDER THE SEA PLEASES LARGE AUDIENCES

Hundreds of people crowded the New Daytona theatre yesterday to witness the first performance in this city of the picturization of Jules Verne's "20,000 Leagues Under the Sea."

The picture represents the acme of cinematography. It is mystifying, fascinating and stupendous, and is considered the most difficult moving picture ever filmed, requiring especially invented apparatus for the purpose.

Those fortunate enough to secure admittance yesterday were unanimous in their praise of the picture as the most out-of-the-ordinary ever shown in Daytona.

"20,000 Leagues Under the Sea" will and tomorrow afternoon and night, be shown again this afternoon, tonight.

A 75-pound shark was the result of a fishing trip which was taken by guests at the Islington hotel on Wednesday to the Inlet, James Lathrop landing the fish after a game fight. Of the shovel-nose variety, it tipped the scales at just 75 pounds and measured 4 feet, 10 inches. The gentlemen who composed the party were W. S. Perry, George Carew, James Lathrop. Mr. Lathrop has preserved the backbone of the fish as a trophy of his skill with the rod and reel.

On Wednesday an especially fine string of fish was brought home from the Inlet by a party of men from the Palmetto House, which included C. M. Wright, Oneonta, N. Y.; Judge C. E. Nichols, Jefferson, N. Y.; W. R. Saxton, Oneonta, N. Y.; and L. F. Barget, of Pittsburgh. So fine was the string that the friends of the party enjoyed the fresh delicacies that evening for dinner.

Amusements

"CIVILIZATION"

For the past several months "Civilization," which comes to the New Daytona theatre on Monday and Tuesday, has been playing to capacity audiences at the Criterion theatre, New York City, where it still remains a magnetic drawing card. The masterpiece, conceived and produced by Thomas H. Ince, the wizard of the silent drama, is conceded to be the most unusual creation of its kind ever presented.

As a spectacle, it is gigantic; as an entertainment it is overwhelming and as a financial enterprise, it is a veritable mint. This may be accounted for by reason of the fact that it entails an exposition of the various branches of art and science, thereby offering a liberal education at one sitting. A wonderful musical setting to the imposing theme has been provided by Victor L. Schertzinger.

THE WEATHER

FOR FLORIDA: Probably rain in
north portion, cloudy in central and
south portions tonight and Saturday;
warmer tonight northeast and central
portions; colder Saturday north por-
tion; fresh south shifting to west
winds.

The low pressure over the upper
Plains States during the last 24 hours
extends in a trough-like formation
from the Gulf to Great Lakes. It is
attended by moderate precipitation
throughout its immediate field of in-
fluence. West of the Mississippi river
rising pressure is attended by gen-
erally fair weather.

Under the influence of falling bar-
ometer, and mostly southerly winds,
temperatures are generally higher
over the eastern half of the country.
The line of freezing temperature has
receded to the Lake Region, thence
southwest to northern Texas. The
weather continues decidedly cold,
however, over the upper Missouri Val-
ley and the northern Lake region,
where the temperature is below zero.
The winds are light southerly on the
lower coasts.

MAKES HANDSOME GIFT TO PUBLIC SCHOOL LIBRARY

J. Y. Detwiler was a Daytona visitor
Thursday afternoon, coming up from
New Smyrna by train and bringing
with him for presentation to the Day-
tona high school library a very hand-
some, three-volume book of Ohio,
which he turned over to Col. C. M.
Bingham, who is a member of the lo-
cal board of trustees. This valuable
gift will be appreciated not only by
the present members of the school
but by the students of the future for
many years to come. Mr. Detwiler
has made a similar gift to the New
Smyrna school and to the Volusia
County Historical society.

The Book of Ohio is an art and his-
torical work on that great state, a
folio beautifully bound in leather,
with nearly 2,000 elegant engravings,
more than 100 of which are full page.
It is a superb example of book work,
while its literary contents are of the
highest order. In its three volumes
are depicted with pen and pencil rare
glacial and geological views, engrav-
ings of the work of the mound build-
ers and of specimens from these
works; engravings of old military
landmarks and other views along the
Ohio, Muskingum, Sciota and Maumee
rivers; interior state views and rare
beauty spots about the valley of
Ohio; views of the old homes of for-
mer statesmen and engravings places
of public interest from various
sources.

The very valuable explanatory text
is written by such men as Prof. C. F.
Wright, of Oberlin; Gen. E. Brinker-
hoff, of Mansfield; Prof. E. O. Ror-
dall, secretary of the State Historical
and Archaeological society, Prof. W.
C. Mills, of the Ohio State university
and many others equally prominent.

Mr. Detwiler's selection of this book
was evidently influenced by his deep
interest in all matters historical, much
of his time of late being devoted to
historical research for the establish-
ment of the fact of New Smyrna be-
ing the earliest Spanish settlement in
this country.

GOODRICH ADDS TO SALES ORGANIZATION

THIRTY-EIGHT NEW STORES TO
BE OPENED BY MARCH FIRST,
THROUGHOUT U. S.—WILL SUP-
PLY DEALERS ONLY.

One of the most important moves
made in the rubber and automobile
industries for sometime is the an-
nouncement coming from the office of
W. O. Rutherford, general sales man-
ager of the B. F. Goodrich company,
of Akron, Ohio, stating that this com-
pany will open, by March 1st, 38 new
stores which will broaden the Good-
rich sales organization now repre-
sented in practically every important
city of the United States.

These new stores will serve as dis-
tributing points for dealers in their
territories and will relieve the vari-
ous Goodrich branches of a great por-
tion of the increased business they
have been obliged to handle up to this
time.

The men who have been selected to
manage these new stores have been
taking an eight weeks' educational
course at the Akron factory, under the
personal direction of A. Koehler, pre-
paring them to handle their new ob-
jects and teaching them the sales pol-
icies applying to each of the Goodrich

products which they will handle.
The Goodrich company has estab-
lished a precedent by having these
managers and their assistants trained
from among well known men of
the cities which gives the ad-
vantage of a wide acquaintance

FINE PROGRAM FOR NEXT SUNDAY'S CHRISTIAN FORUM

A fine program has been prepared for the Christian forum of the Daytona Beach Methodist church, corner of Seabreeze avenue and Peninsula drive.

The Fisk University jubilee singers have been obtained to sing at the forum for a short concert beginning at 9:45 Sunday morning and the forum address by Braddock Peck, of Lewisburg, Mo., head of the greatest co-operative department store in the North-east will begin at 10:00.

Mr. Peck will speak on the subject "Union of Labor and Capital," or "Beligion in Business." He has been a student of commercial war or our competitive business system for many years. He is the author of "The World as a Department Store," which holds theories of cooperation almost as altruistic to be generally accepted. His plan of operating all departments is such that the mental attitude of the workers is one of the co-investments and co-partnership for their own good.

A questionnaire will take place after Mr. Peck's address and will bring out many interesting ideas of the modern relation of employer and employee.

7TH MATINEE MUSICALE HELD FRIDAY MORNING

The seventh matinee musicale given by the music department of the Palmetto club held Friday morning in the club house called out the greatest number of guests which have attended so far this season.

Compositions of George W. Chadwick were the subject, delightfully led by Mrs. J. H. Cornwall, illustrating with well chosen bits from his pen, the wonderful ability of this man who directed the destinies of the New England Conservatory of Music so splendidly.

A group of Daytona's musicians conveyed to the audience by song and instrument the trend of his exceptional work.

A paper was read by Mrs. Cornwall upon the life of the composer and his works, and a program was given.

TRAFFIC LAWS TO BE ENFORCED

Marshal D. E. Lowe, of Seabreeze, has given notice that he will enforce to the best of his ability in the future, the traffic laws of his town.

New ordinances have been passed that few of the motorists know about. One of these makes it a rule that drivers of all kinds of vehicles must keep to the right side of the road, must pass other vehicles on the left side and must especially observe these rulings in going around corners. Another new ordinance makes it a misdemeanor to park autos on any but the right side of the street and states that parked autos must have both rear and front lights at night. A third new ordinance insists that autos must dim their bright front lights when about to pass other cars.

These new laws and the former rulings regarding speed limits are to be enforced stringently in the future. Owing to the heavy traffic on main Seabreeze streets, it will be necessary to thus enforce these ordinances to make the risk of accident as small as possible. Motorists are especially troublesome on Halifax avenue, Atlantic avenue and Ocean boulevard.

SEABREEZE

N. W. Ballantyne, of New Cumberland, West Virginia, recently arrived to visit at the home of his wife and family in the W. C. Greene cottage on Ocean avenue.

The many friends of Mrs. C. A. Randall will be very pleased to know that she is now recovering from her illness of the past week and will probably be able soon to leave her house and enjoy the out-of-doors.

The friends of Miss Nellie Manning will be pleased to know that she has recovered from an attack of lagrippe sufficiently to resume her work at Seabreeze high school.

Mr. and Mrs. W. J. Baddock and little son, Walter, and Mr. and Mrs. B. F. Houston and little son, Bobby, enjoyed an auto trip Thursday over to the Braddock's former home in Eustis. They spent the entire day on the trip having a pleasant time. They visited for a few hours with old friends and relatives and then returned to the beach late in the afternoon.

B. F. Whitcomb and family, of Albany, N. Y., who are spending the winter at Deland, were visitors to the beach Thursday, spending the day at a local hotel and enjoying surf bathing in the afternoon. Mr. Whitcomb was so delighted with the beach that he has almost determined to spend the remainder of the season here. If he could find a suitable cottage here it is very probable that he would live here until May 1.

FIRST HORSESHOE TOURNAMENT WAS PLAYED YESTERDAY

The first of the series of three horse-shoe tournaments which will be played on the court at the city hall was held yesterday, as planned, and attracted a great deal of interest, over 20 taking part in the games while numbers of spectators enjoyed the contests.

The play was started at about 9:30 a. m. and concluded shortly after 4:00 p. m. After the close of the tournament a picked team from Daytona and one from the peninsula held a close and interesting contest in which the Daytona team proved victorious after a hard fought battle, for the peninsula towns claim some very expert horse-shoe pitchers.

The first prize in the first class, a \$2.50 gold piece, donated by S. H. Moseley, was won by Dick Lyle with 46 points. This prize was offered for the largest individual score in any one serial during the day.

The second prize, a box of cigars, donated by the Conrad Grocery company, for the best team work, was awarded to Lyle and Shears.

The third prize, a year's subscription to the Gazette-News, donated by Walter R. Greene, for the second best score in Class I, was secured by S. H. Moseley.

The fourth prize, a pipe, donated by W. L. Courson, was also won by S. H. Moseley. This was offered for the highest number of points in any single game of 21 points.

In the second class, the first prize, a pocketbook, donated by the Daytona Book and Stationery company, was won by Dan Taylor. This was offered for the highest individual score in this class.

The second prize, a set of shoes, contributed by W. E. French, and offered for the best team work in this class, was awarded to Willets and Taylor.

The third prize, a pocket knife donated by the Gruber-Morris Hardware company, and offered for the highest number of points in a single game, was won by Dan Taylor.

The fourth prize, a safety razor, contributed by C. C. Van Meter, was won by H. D. Willets. This was offered for the second highest number of points.

The silver cup, the chief prize of the tournament, will be awarded to the player making the highest number of points in any serial game in the three tournaments of the series.

The next tournament will take place in the first week in March and the third and last tournament on St. Patrick's day, March 17.

The following players made scores of 25 points or more: Lyle, 46; Moseley, 36; Taylor, 34; Hunt, 32; Miller, 30; Sutton, 30; French, 28; Ingraham, 28; Willets, 27; Johnson, 25; Van Meter, 25; Moot, 25.

WASHINGTON'S BIRTHDAY DINNER AND DANCE

(Continued from Page One.)

ful shades of cerulean blue, emerald green, and yellow in a dozen tonalities, were the more popular, and the ever changing kaleidoscope of rainbow coloring made the scene dazlingly lovely.

Dancing commenced at 9 o'clock and the ball room was a veritable blaze of patriotic color. Long streamers of red, white and blue bunting were draped across each side of the room and caught at the corners with flags in groups of three. An enormous silk flag curtained the windows at the back of the dais on which the orchestra was seated, while above the mantel the patriotic idea was again repeated in a clever arrangement of flags and bunting. Trios of tiny silk flags peeped from every conceivable place, and waved gaily in the breeze, that fragrant with the elusive scent of the sea made the ball room ideal for dancing.

And the music! The hotel orchestra, noted for its well-blended whole, must surely have played under inspiration, for never has there been such a program of one-steps, fox-trots and waltzes. Filled with the spirit of gaiety, the strains of the music might well have proved inspiring to dancers who were not there wholly for the purpose of dancing to their hearts' content as were the guests last night. Not until the wee sma' hours were nearing their end, did the last bar of "Home Sweet Home" herald the end of the memorably charming affair.

Many hundred guests attended the affair, and so large was the gathering that many waited their turn in the foyer or on the verandas to dance in the ball room.

The guest list included many, who entertained at dinner. With few exceptions the Clarendon guests were present, and many motored over from Ormond. Among those noted in the dining and ball rooms were:

WASHINGTON BIRTHDAY PARTY AT SEVILLE

George Washington's birthday was fittingly observed at the Seville hotel on South street on Thursday evening. In the form of a box party which was enjoyed by the guests at the hotel as well as friends who came in. A very delightful evening was spent by the participants.

The rooms of the hotel were decorated with flags and Washington birthday favors. Ferns and palms made the scene more enchanting.

Seven tables were occupied by enthusiastic players, 500 being the incentive. Pretty boxes, mysterious in their attractiveness, each held a gift, were given the players in turn according to the scores attained, highest first.

After the card game the remainder of the evening was made pleasant by a social hour during which Mrs. Purdy, the gracious proprietress, served refreshments.

WELL ATTENDED COSTUME PARTY

Fascinating curls, beauty patches and Colonial costumes marked the very well attended Costume party given by the ladies of Abigail Bartholomew chapter D. A. R., when on Thursday afternoon they entertained their guests and friends at the beautiful Palmetto clubhouse on Orange avenue.

All of the members of the chapter were in costume, and very lovely, indeed, were they. Powdered hair piled high, with captivating curls, pulled draperies in such abundance, and so lovely that one perfectly understood the charm and attractiveness of our great grandmothers of by-gone days, as they courted to their partners and held gentle flirtations with our great grandfathers.

Patriotic decorations were the rule. Flags were used everywhere in a delightful array. A very fine likeness of George Washington draped with a silk flag was conspicuous upon the stage. Palms, palmetto leaves and ferns added in the decorative scheme.

Cards were enjoyed by the guests and prizes were given for the highest scores. Mrs. R. S. Maley in charge of the card tables. The winners were Mrs. M. B. Wilcox, Miss E. M. Craig, Mrs. A. C. Varney, Mrs. S. F. Avery at auction, while at five hundred the trophy was given Mrs. F. A. Berry.

At 4, beginning the tea hour the Despland orchestra rendered a delightful concert, while tea, coffee and cake were served. Presiding at the tea tables were Regent A. T. Bigelow and Mrs. Murray L. Stanley. Red and white carnations and dainty appointments decorated the tea tables. The other members of the board who assisted in receiving the guests were Mrs. C. E. Gardiner, Mrs. T. W. Chamberlin, Mrs. H. H. Thorpe, Miss Kathryn E. Thorpe, Mrs. R. S. Holmes.

Attributing much to the success of the afternoon were the beautiful posters, hand-painted in very beautiful colors which were done by Mrs. Peter Parker of Wilbur-by-the-Sea, assisted by Mrs. Ackland Stilling. These posters, all different, and each a work of art in itself, were conspicuously placed in the hotels and shops in Daytona, calling forth great admiration from all who saw them.

NEWS OF THE HOTELS

(Continued from Page Seven)
Everything is in readiness for the Washington birthday card party which will be given at the Islington hotel on Friday evening, which will be enjoyed by the guests of the hotel and friends of the cottage colony.

Taking a picnic luncheon, Mr. and Mrs. James Kelsey, Miss Virginia Kelsey, Mrs. James Hitchcock, Mrs. M. E. Youhn and Harry Krieger, guests at the Prince George hotel, spent yesterday automobiling to Rockledge.

Notable among the Windsor guests is Col. A. F. Marsh, of Washington, a retired colonel of artillery, who for a number of years was active in the artillery service of the U. S. Army. Col. Marsh is an interesting gentle-

man, not inclined to ostentation, enjoying the quiet of his private life more than anything else. He will remain at the Windsor for a stay of some weeks.

Friends of J. P. Glenn, of the Seaside Inn, will learn with pleasure that he is rapidly improving from an attack of lagrippe.

Among the interesting arrivals at the Princess Issena Wednesday were Mr. and Mrs. G. A. Soden, of Chicago, Ill., who will remain for several weeks.

Mr. and Mrs. John C. Brown, of Laclede, Mo., who are spending their honeymoon in Florida, are guests at the Seaside Inn, having arrived yesterday.

The Minneapolis contingent at the Princess Issena Wednesday were Mr. and Mrs. C. A. Nimrocks, who arrived Wednesday and will remain in Seabreeze until spring.

Dr. W. P. Caven, an eminent physician of Toronto, is located at the Windsor for a lengthy stay. In company with the Doctor are Mrs. Caven and son, W. T. Caven.

A very pretty card party was held at the Oaks on Wednesday evening, three tables of auction and two tables of 500 being enjoyed. At auction Mr. Sangenbach won the first prize, Miss Ayers the second and Miss Talamo the consolation.

Mr. and Mrs. J. L. Agnew and Mr. and Mrs. S. H. Whitmir, who are among the most active of the Seaside Inn contingent, motored to St. Augustine for the day yesterday and were luncheon guests at the Ponce de Leon.

Mark Ovenden, of New York, is located at the Hamilton hotel for a stay. Mr. Ovenden is the traveling passenger agent for the Clyde Steamship and Mallory Steamship companies of New York and is in Florida upon a business trip.

Mr. and Mrs. Albert T. Brown, of Cincinnati, O., who are late guests at Schmidt's hotel, think Daytona so attractive as a winter home they have changed their plans and will remain here instead of continuing their trip down the coast.

Nobody had a blowout and nobody stalled an engine on the 142-mile trip that group of Prince George guests enjoyed Wednesday and the trip was an unqualified success. The party, who filled two automobiles, and drove to Deland, Orlando and Winter Park, was composed of Mr. and Mrs. H. M. Beam, Mrs. W. S. Riggs, Mr. and Mrs. Samuel Lowenstein, Miss Lucille Lowenstein, Mrs. Stern, Miss Helen Stern, Carl Stern, Mrs. W. S. Renkert and two children, E. M. Cleveland and Miss Marie Cleveland.

IN FIVE ACTS WITH

RHEA MITCHELL AND WILLIAM STOWELL

A DELIGHTFUL DRAMA OF ROMANCE AND THRILLS

IN A RAILROAD CAMP

STAGED BY JACK HOLLOWAY

CHARLIE CHAPLIN
AT THE ARCADE

Charlie Chaplin will be in Daytona
Monday, February 26. He will bring
his usual assortment of laughter and
interpret his idea of the duties of a
floorwalker on the screen of the Ar-
cade theatre. This is one of the best
Chaplin pictures. Every scene is de-
picted in the largest department store
of Los Angeles. When the inimitable
Charlie essays the moving stairway

there is something doing every-
ond. It is all action. Just
what Chaplin can do with such a
hicle, see the show at the Ar-
next Monday and laugh to
heart's content. The matinee
formance will be from 2 to 5
while at night the doors remain
from 7 to 11.

Charlie Chaplin will be a regular
Monday feature with the Arcade
the rest of the season.

On Monday, March 5, Chaplin will
be seen as "The Fireman."

ALLIES TREAT GREECE AS BAD AS GERMANY HAS TREATED BELGIUM

(Continued from Page One.)

heart and soul with us. He can de-
liver the Greeks whenever he wants
to. Let us back Venizelos, therefore,
and when we need the Greek army he
will turn it over to us.

"Well, they were wrong as I think
you have seen for yourself since you
have been here. Venizelos was per-
haps the strongest man in Greece as
they thought. But the moment he
tried to turn over the Greek army to
the entente as if we were a lot of
mercenaries he became the weakest
man in Greece and the most despised.
For in Greece no man delivers the
Greeks. They decide their own des-
tinies as a free people and not Eng-
land, France and Russia put together
can change them, neither by force of
arms nor by starvation. And they
have tried both. As for Venizelos him-
self—you had a man once in your
country, a very great man who had even
been vice president of the United
States, who planned to split the coun-
try in two and set himself up as a

ruler in the part he separated from the
rest."

"Your Majesty means Aaron Burr?"
"Precisely. But he only plotted to
do a thing which he never accomplish-
ed. Venizelos, with the assistance of
the allied powers—and he could have
done it without them—has succeeded
for the time being in the same kind
of a seditious enterprise. You called
Aaron Burr a traitor. Well, that's
what the Greek people call Venizelos.

"The impression has been spread
broadcast that Venizelos stands in
Greece for liberalism and his oppo-
nents for absolutism and militarism.
It is just the other way around. Ven-
izelos stands for whatever suits his
own personal book. His idea of gov-
ernment is an absolute dictatorship—
a sort of Mexican government, I take
it. When he was premier he broke
every man who dared to disagree with
him in his own party. He never
sought to express the will of the peo-
ple; he imposed his will on the people.
The Greek people will not stand that.

"That is one thing I wanted to say.
The other is about the effect of the so-
called German propaganda in Greece.
The entente powers seem to have
adopted the attitude that everybody
who is not willing to fight on their
side must be a pro-German. Nothing
could be farther in respect of Greece.
The present resentment against the
allies in Greece is due to the allies
themselves and not to any German
propaganda.

"There is even now less pro-German
feeling in Greece than in the United

States, Holland or any of the Scandi-
navian countries. The whole feeling
of the Greek people towards the ente-
te powers today is one of sorrow and
disillusionment. They had heard so
much of this 'war for the defense of
little nations' that it has been a very
great shock to them to be treated as
they feel, very badly, even cruelly, for
no reason and to nobody's profit.

"As I have tried repeatedly to point
out to the entente representatives
there can only be one certain guaran-
tee of the safety of the allied forces
in the Balkans as far as the Greeks
are concerned—that is, mutual con-
fidence.

"I have done everything I could to
dissipate the mistrust of the powers.
I have given every possible assurance
and guarantee. My army, which any
soldier knows, could never conceivably
have constituted a danger to the allied
forces in Macedonia, has been virtually
put in jail in the Peloponessus. My
people have been disarmed and are
today powerless even against revolu-
tion and they know from bitter ex-
perience that revolution is a possibility
so long as the entente powers continue
to finance the openly declared revolu-
tionary party of Venizelos. There
isn't enough food left in Greece to
last a fortnight. Not the Belgians
themselves under German rule have
been rendered more helpless than are
we in Greece today.

"Isn't it, therefore, time to calmly
look at conditions in Greece as they
are to give over a policy dictated by
panic and to display a little of that
high quality of faith which alone is the
foundation of friendship?"

DESIRES TO EXONERATE
MR. EVANS OF ALL BLAME

B. G. Cowan, who fell and broke
his hip on Beach street and Orange
avenue, has issued a statement ex-
onerating Mr. Evans of the Red Line
operated to Deland. Mr. Cowan
states that he slipped back quickly
to avoid an automobile and in doing
so, slipped on the wet pavement. Mr.
Evans' car did not hit him, but Mr.
Evans very kindly stopped to render
assistance and procured an automobile
to take Mr. Cowan home.
